SKILLS

PROGRAMMING:

- HTML
- CSS
- JavaScript
- ReactJs

FRAMEWORK

- Bootstrap
- ExpressJs
- NodeJs

TOOLS

- MS Word
- Excel
- PowerPoint
- Photoshop
- MongoDB

KEY STRENGTH

- Proficient in Front-End
- Attention to Details
- Continuous Learning
- Project Management

ABOUT

A passionate Full Stack Developer with expertise in HTML, CSS, JavaScript, and ReactJs. Committed to delivering high-quality web development projects and staying updated with industry trends. Seeking a front-end developer role to leverage my skills and contribute to innovative web projects.

EXPERIENCE

BRASSY ACADEMY | FULL STACK DEVELOPER - INTERNSHIP
March 2024 - Present | Tirunelveli,India

FRONT END DEVELOPMENT

UI DESIGN

KODAIAGRI ORG - CLONE | [\[LIVE LINK \]](#)

- Developed a responsive UI design for a clone of the Kodaiagri.org website using HTML, CSS, and Bootstrap.
- Techniques like Media queries, Flexbox, and Grid layouts.
- Implemented collapsible navigation bars,improving better user experience by 30% .

REACTJS UI DESIGN | WILLOW LANE - CLONE | [\[LIVE LINK \]](#)

- I delved into UI design using ReactJs . Leveraging ReactJs features such as useState and useEffect hooks
- Along with concepts like routing, props, and components.
- I deepened my understanding of ReactJs fundamentals and learned to build dynamic user interfaces and enhances user engagement by 20%

MERN STACK DEVELOPMENT | MOVIE BOOKING | [\[LIVE LINK \]](#)

- I created a dynamic Movie Booking using the MERN stack (MongoDB,ExpressJs,ReactJs,NodeJs).
- ReactJs for the Frontend,Implemented features like movies listings, user authentication,and a shopping cart.
- On the Backend NodeJs and ExpressJs handled server logic and API requests, while MongoDB stored data.

CERTIFICATE

REACTJS FOR BEGINNER | SIMPLILEARN [\[CERTIFICATE LINK \]](#)

ReactJs is a JavaScript library for building user interfaces, created by Facebook. It helps developers create reusable UI components, making code easier to manage. React uses a virtual DOM for fast updates and rendering, offering high performance and a smooth user experience.

CHATGPT FOR EVERYONE | GUVI [\[CERTIFICATE LINK \]](#)

I've gained valuable insights into ChatGPT, covering its functionality, components, the user input process, response deployment, text generation, and its limitations. This learning journey has equipped me with extensive knowledge of ChatGPT and effective techniques for optimizing its performance.
